**September**

**TUE 6** - Regular Meeting

Lapeer Days Special Edition

**Lapeer Days - Help Needed!**

We have kids, cars, a ramp, and a hill so it looks like the Derby is on. The parade will include a float with the derby cars and whatever banners we can get together by Saturday morning. We will be getting a lot of press and visibility during Lapeer Days so don't miss this opportunity to tell our story. It's all about the marketing.....Prez

**Texas Hold'em:** Let's make sure Ernie and Mary have enough help to make this a successful event. Anyone who has not signed up for Friday night please do so today.

**Soap Box Derby:** The derby cars will be in the Lapeer Days parade on Saturday. Any Rotarians interested in riding the float can show up (in their Rotary shirts) Saturday morning at 10am near Raven St (slot #44). There is still time to get your company name on the cars or solicit \$50 sponsors.

*"The will to do it"* **Flint River Cleanup:** is continuing with an opportunity to help out tonight at 4pm in Rotary Park.

The Rotary Club of Lapeer meets every Tuesday, 12:10pm  
 Lapeer County Center Building
